## PNW Pesticide Issues Conference Agricultural Safety and Health

**February 26th, 2003**

Doubletree Hotel  
Yakima, Washington  
(509) 248-7850

### CONFERENCE GOALS:

To meet the education and information needs of people involved in farming, forestry, greenhouse, and nursery health and safety, with a strong emphasis on pesticide issues.

To facilitate networking and information exchange among participants.

### INTENDED RESULT:

To update and improve understanding of agricultural safety and health issues, regulatory issues, and environmental issues.

## Payment is Required for Registration

Checks, MC/Visa are accepted forms of payment; *purchase orders will not be accepted.*

Registrations postmarked on or before Feb. 4, 2003 are considered *early registrations* and will be charged \$90; *after* Feb. 4, 2003 registrants will be charged \$120.

Phone and fax registrations require MasterCard or VISA.

## Cancellations and Refund Requests can be made up to 10 days prior to the program.

The registration fee, minus \$15, will be refunded, (if requested before the cancellation deadline). **After the deadline, course fees are forfeited.**

## Accreditation:

This training will provide a total of 8 pesticide recertification credits. Professional credit will be available for safety and environmental health professionals, industrial hygienists and nurses. Physicians may apply this course toward category 2 CME credit.

**A Confirmation Letter** will be sent to verify registration. Please contact our office to correct any mistakes.

## Office Contact:

509-335-2830 or e-mail [pest@cahe.wsu.edu](mailto:pest@cahe.wsu.edu).

**Persons with Disabilities** who require special accommodation may call Cooperative Extension Conferences at 509-335-2830 for assistance. If accommodations are not pre-arranged, we cannot guarantee availability on site.

*Cooperative Extension programs and employment are available to all without discrimination. Evidence of noncompliance may be reported through your local Cooperative Extension office.*

# AGRICULTURAL SAFETY & HEALTH CONFERENCE

February 26, 2003 • Doubletree Hotel (509) 248-7850 • Yakima, Washington

## 8:00 Welcome Address

### Cholinesterase Monitoring: Policy, Impact, and Science

- 8:15 Current State of Affairs in Washington
- 8:40 History and State of Affairs in California
- 9:00 Practical and Economic Impacts of Implementation
- 9:30 Precision and Accuracy: Clinical and Laboratory Sampling and Analysis
- 9:50 **Q&A Period**
- 10:00 **Break**
- 10:15 Biochemistry, Physiology, and Relevant Action Thresholds
- 10:45 Human Biomarkers of Organophosphate Pesticide Exposure
- 11:10 Panel How to "Get The Word Out"
- 11:30 Prospective Replacement Products for Organophosphates and Carbamates
- 11:50 **Q&A Period**
- 12:00 **Luncheon**

### Pesticide Spray Drift

- 1:00 State of the Problem: Washington Case Studies
- 1:25 Pesticide Drift Studies and Human Health
- 1:50 Application Technology for Drift Reduction
- 2:10 **Q&A Period**
- 2:20 **Break**

### Agricultural Employee Health and Pesticide Exposure Issues

- 2:40 State of the Post Pesticide Application Exposure Problem: WA Case Studies
- 3:00 Worker Exposure Issues in Washington
- 3:20 Panel on Post Application Exposure Assessment Research  
Exposure Assessment and Product Labeling
- 4:00 **Q&A Period**
- 4:10 State of the Federal Worker Protection Standard
- 4:30 Lessons Learned in Washington State
- 4:50 **Q&A Period**
- 5:00 **Adjourn**
